No. 18 - MICHELLE WATT

LAST YEAR (21)

With her bubbly personality and great looks, Michelle Watt is one of the newest Scots faces on TV. As the daughter of boxing legend Jim Watt she pulls a lot of punch. Having started out on QVC and the Shopping Channel, Michelle progressed as co-presenter of STV's Club Cupid.

SHE'S SIZZLING BECAUSE

Michelle has just signed up to present STV's Hogmanay Live show with Grant Stott and it's just the start of more TV to come.
